**Who's Who in UK Logistics: A Statistical Analysis**

Who's Who in UK Logistics is a statistical analysis of 45 of the leading contract logistics service providers in the UK. With UK-specific financial and operating analysis, the research provides a definitive picture of the UK industry, based on key operating statistics of the largest providers.

The report contains data on key UK financials and performance indicators, UK sector-level revenues, senior UK personnel, UK warehousing space and locations, UK fleet sizes, UK employees, key strategies, developments, joint ventures, partnerships and recent acquisitions in the UK.

**The report contains:**

- Profiles of 45 UK logistics companies
- 10,339 data points
- 280 pages
- 327 data tables

**Companies covered in the report:**

- Cover 75.0% of the UK contract logistics industry
- List more than 180 senior UK logistics executives
  - Earn more than £8.5 billion in UK turnover
- Earn more than £6.9 billion of UK contract logistics turnover
- Operate 11.0 million+ square metres of UK warehousing space
  - Run fleets of over 25,000 UK vehicles
  - ...and operate over 22,000 UK trailers
